

National Service Scheme (NSS) Annual Report 2020-21
Al Jamia Arts and Science College

UNIT NO :099

PROGRAMME OFFICER : ABDUL MUSABIR

The National Service Scheme (NSS) of Al Jamia Arts and Science College remained steadfast in its commitment to community service and sustainable development during the academic year 2020-21. Despite the challenges posed by the COVID-19 pandemic, the NSS volunteers successfully implemented impactful initiatives. Below are the highlights of the year:

1. Community Renewal with Environmental Cleanup

NSS volunteers actively participated in community renewal programs, focusing on environmental cleanup activities. These initiatives aimed to promote cleanliness, hygiene, and sustainable living in nearby areas.

2. Cultivating Kitchen Gardening in Students' Homes

In collaboration with the Nature Club, a kitchen gardening project was launched, encouraging students to grow organic vegetables and herbs at home. This initiative promoted self-sustainability and raised awareness about the importance of healthy and eco-friendly living practices.

3. Rainwater Harvesting at Students' Homes

To address water conservation issues, the NSS unit guided students and their families in setting up rainwater harvesting systems at their homes. This initiative aimed to create awareness about efficient water management and conservation.

4. Survey on Community Diseases at Angadippuram Panchayath

A comprehensive survey was conducted at Angadippuram Panchayath to understand the prevalence of common diseases in the community. The data collected was analyzed and shared with local health authorities to help in planning better health interventions.

5. COVID-19 Awareness Programme

In response to the pandemic, the NSS unit organized COVID-19 awareness programs in the nearby areas of students' homes. Volunteers disseminated information about preventive measures, vaccination, and hygiene practices to curb the spread of the virus.

6. 7-Day Special Camp

A 7-day residential camp was held, focusing on community welfare and development. Key activities included:

- Cleaning drives in rural areas.
- Awareness sessions on environmental conservation and health.
- Tree plantation and kitchen gardening demonstrations.
- Interactive workshops for personality development and leadership skills.

7. Day Celebrations

The NSS unit organized and participated in the celebration of significant days, including:

- Independence Day and Republic Day.
- World Environment Day.
- International Yoga Day.
- NSS Day.

These celebrations served to inspire patriotism, environmental awareness, and community bonding among students.

Conclusion

The 2020-21 academic year was marked by innovative approaches to community service and resilience amidst challenges. The NSS volunteers upheld the spirit of service and leadership, leaving a lasting impact on the college and the community. The motto "*Not Me, But You*" continued to guide the unit's efforts throughout the year.
