ALUMNI SCHOLARSHIP

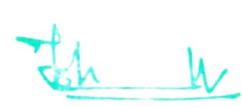

The mission of the scholarship program, emphasizing the goal of supporting financially disadvantaged students in their pursuit of higher education. Specific objectives, such as reducing financial barriers to education, promoting academic excellence.

Identify the source of funding for the scholarship program through contributions from alumni, fundraising events to supporting education. A selection committee comprising faculty, staff, alumni, and representatives from the financial aid office.

The committee will review each applicant's financial need, academic achievements, personal circumstances, and potential for success. The amount and duration of the scholarship awards based on available funds and the number of qualified applicants.
