CIRCULAR

Dear Volunteers,

We are excited to announce the "My Tree" campaign scheduled for June 5, 2022, in celebration of World Environment Day. This initiative aims to promote environmental awareness and encourage everyone to contribute to a greener planet.

Each volunteer is requested to plant a tree in their home surroundings on this day. Please choose native saplings that will thrive in our local environment.

Let's come together to make a significant impact and demonstrate our commitment to environmental conservation. Your participation is crucial for the success of this campaign.

REPORT

World Environment Day Celebration with “My Tree” Campaign

On June 5, 2022, the NSS unit of Al Jamia Arts and Science College, Perinthalmanna, successfully conducted the “My Tree” campaign in celebration of World Environment Day. This initiative aimed to promote environmental awareness and encourage community participation in tree planting activities.

All NSS volunteers participated enthusiastically, each planting a tree in their home surroundings. The campaign not only highlighted the importance of trees in combating climate change but also aimed to foster a sense of responsibility among the youth towards environmental conservation. Volunteers chose a variety of saplings, ensuring diversity and sustainability in their efforts.

NSS Programme Officer Salmanul Faris KM closely monitored the activities, providing guidance and support throughout the campaign. He emphasized the significance of planting trees, stating, “Every small action contributes to a larger goal. By planting trees, we are nurturing our environment for future generations.”

The “My Tree” campaign not only reinforced the NSS unit’s commitment to environmental stewardship but also inspired a collective effort towards a greener and healthier planet. As the volunteers nurtured their saplings, they also sowed the seeds of awareness and action within their community, embodying the spirit of World Environment Day.
