Circular

Dear Students and faculty members

We are pleased to announce an upcoming programme organized by our NSS unit to support the Primary Health Centre in Angadipuram. This initiative aims to collect and donate essential medical equipment to enhance healthcare facilities at the centre.

This programme reflects our NSS unit's dedication to community service and healthcare support. Your participation and support are essential in making a meaningful impact on healthcare facilities in our community.

We look forward to your enthusiastic participation in this programme

Report

Donation of Medical Equipments for Angadippuram Primary Health Centre

On 29th June 2021, the NSS unit of our college undertook a commendable initiative by collecting and donating essential medical equipment to the Primary Health Centre in Angadipuram. This initiative aimed to support the healthcare infrastructure and ensure the availability of necessary resources during challenging times.

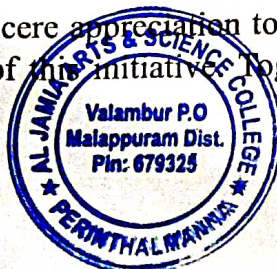

The event was graced by the presence of our Principal, Mr. A.P. Riyas, and Saeedha Teacher, the President of Angadipuram Gram Panchayat, who jointly handed over the donated equipment to Dr. Ashraf, the Medical Officer at the Primary Health Centre. The ceremony held at the health centre was a testament to our commitment to community service and healthcare support.

The donated medical equipment included oximeters, masks, gloves, PPE kits, sanitizers, and face shields. These essential items are crucial for ensuring the safety of healthcare providers and patients alike, especially in the ongoing battle against the COVID-19 pandemic. The contribution of these supplies aims to strengthen the health centre's capacity to provide quality care to the local community. The event was attended by various dignitaries and stakeholders, including Health Inspector Pathmanabhan, NSS Program Officer Abdul Musabir, Panchayat Member Shamsadh Beegum, along with students Sharon Ahmed, Nasna Shaji, C.T. Muhammed Yasir, Khadher Angadipuram, O.P. Shihab, Saithali Valambur, and others. Their presence underscored the collaborative effort and commitment of our college and community towards supporting public health initiatives.

The NSS unit, under the leadership of Abdul Musabir, demonstrated exemplary organizational skills and dedication in coordinating this donation drive. Their proactive approach in mobilizing resources for community welfare reflects the core values of service and social responsibility that define our institution. This initiative not only fulfills our NSS unit's mission to engage in meaningful community service but also reinforces our commitment to fostering a healthier and more resilient community. It serves as a reminder of the positive impact that collective action can have in addressing community needs and promoting public health.
