REPORT

Cleanliness drive at PTMAUP School Mulliakurssi

In a proactive move to prepare for the reopening of schools in the state, the NSS (National Service Scheme) unit of Al Jamia Arts and Science College in Perinthalmanna undertook a significant cleanliness drive at the Mulliakurssi PTMAUP School. The school underwent a thorough cleaning session on October 19, 2021, spearheaded by enthusiastic college students and dedicated teachers.

Approximately 50 students from Al Jamia Arts and Science College actively participated in the cleanup campaign, focusing on restoring the school grounds, classrooms, furniture, tanks, and drainage systems. The initiative aimed not only to ensure cleanliness but also to create a safe and conducive environment for students and staff when the school reopens.

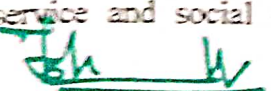

The program was inaugurated by the esteemed Headmaster of Mulliakurssi PTMAUP School, P.P. Muhammad, who commended the efforts of the NSS volunteers and college teachers involved. Leading the charge were college teachers Abdul Gani, Saheera, Ilyas, and Riyas, who provided guidance and support throughout the cleaning activities. School teachers Shareef Master and Musthafa Master also actively participated, demonstrating a collaborative effort between educational institutions.

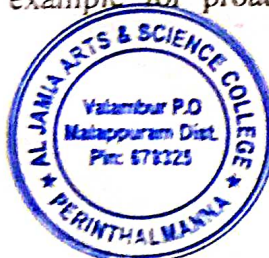

NSS volunteers Sharon and Munshida played pivotal roles in coordinating the cleaning efforts, ensuring that every aspect of the school premises received attention. From clearing debris to scrubbing classrooms and disinfecting essential facilities, the volunteers worked tirelessly to restore the school's infrastructure to its optimal condition.

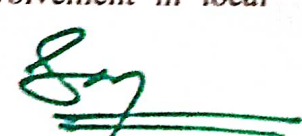

Speaking about the initiative, Abdul Gani, one of the coordinating college teachers, emphasized the importance of community service and civic responsibility among students. He highlighted that such activities not only contribute to the cleanliness and hygiene of educational institutions but also instill values of social responsibility and teamwork among the youth.

The cleanup drive received positive feedback from local authorities and residents, underscoring the impact of collective action in revitalizing community spaces. As schools across the state prepare to resume normal operations after an extended hiatus, efforts like these are crucial in ensuring a smooth transition and a safe learning environment for students.

The NSS unit of Al Jamia Arts and Science College continues to be a beacon of community service and social engagement, setting an example for proactive involvement in local
