SURVEY ON WOMEN'S EMPOWERMENT

In observance of International Women's Day, the NSS unit of Al Jamia Arts and Science College undertook a significant initiative by conducting a comprehensive survey on the necessity and urgency of women's empowerment in contemporary society on 8th march 2022. Led by NSS Programme Officer Salmanul Faris KM, the survey aimed to gauge public opinion on crucial aspects related to women's empowerment.

The survey took place at Moosakkutty Bus Stand, Perinthalmanna, where NSS volunteers actively engaged with the public to gather diverse perspectives. Volunteers including Diya Fahim, Rifathullah KT, Saniya, Aysha Huda, and Sumana dedicatedly carried out the task, ensuring a thorough collection of opinions from the community.

NSS Programme Officer Salmanul Faris KM emphasized the importance of such initiatives in fostering awareness and understanding about women's empowerment issues. He highlighted that the survey not only aimed to assess current perceptions but also aimed to educate and stimulate discussions on ways to enhance women's participation and leadership in various spheres of society.

Participants in the survey expressed a wide range of views, reflecting both the progress made in women's empowerment and the challenges that persist. Many highlighted the need for equal opportunities in education, employment, and decision-making roles. Others stressed the importance of changing societal attitudes towards gender roles and stereotypes.

The initiative received positive feedback from both participants and local community members, underscoring the significance of ongoing efforts to address gender disparities and promote inclusivity in Perinthalmanna.
