CIRCULAR

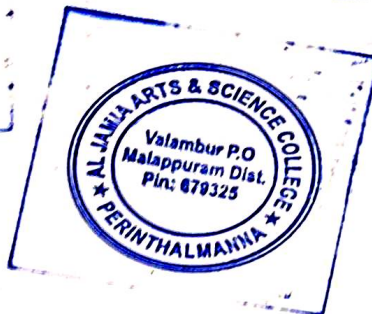

Dear students and staff,

Al Jamia Arts and Science College is going to contribute towards Javad's medical treatment, led by Principal A.K Salman and supported by student representatives. This support aims to assist Javad's bone marrow transplant, alleviating financial burden on his family. Hope all of you will make the event successful.

REPORT

JAVAD TREATMENT FUND

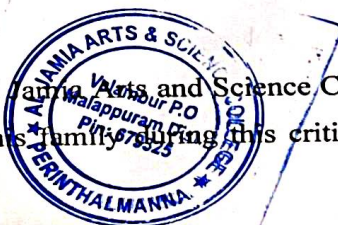

Al Jamia Arts and Science College has once again demonstrated its commitment to humanitarian causes by contributing Rs. 30,000 towards the urgent medical treatment of Javad, the son of Jaleel from Santhapuram. The heartfelt gesture, spearheaded by Principal A.K Salman and supported by dedicated student representatives, aims to alleviate the financial burden on the family during their challenging journey.

On the 13th of April 2022, Principal A.K Salman presided over a touching ceremony where he formally handed over the donated amount to the treatment committee responsible for overseeing Javad's bone marrow transplant. The event was marked by a sense of empathy and solidarity as the college community rallied together to support a fellow citizen in need.

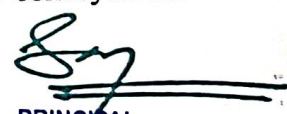

Javad's medical condition has garnered widespread sympathy and support from the college, prompting students and faculty alike to contribute generously towards his treatment fund. Principal A.K Salman highlighted the importance of collective responsibility and compassion in times of crisis, emphasizing that community support can make a tangible difference in the lives of those facing adversity.

Student representatives along with collection coordinators Dilshad and Akshay played a pivotal role in organizing fundraising efforts and mobilizing support from their peers, reflecting the college's ethos of nurturing socially responsible leaders. Their presence at the donation ceremony underscored their commitment to standing in solidarity with Jaleel and Javad during their challenging journey.

Jaleel expressed profound gratitude to Al Jamia Arts and Science College and its compassionate contributors for extending a lifeline to his family during this critical period. He conveyed his

heartfelt appreciation for the outpouring of support, which has provided much-needed hope and encouragement to his son and their entire family.

The treatment committee, tasked with managing Javad's medical care, assured that every rupee donated would be utilized judiciously towards ensuring the best possible treatment outcomes for Javad. They acknowledged the significance of Al Jamia Arts and Science College's contribution in facilitating essential medical interventions that are crucial for Javad's recovery.

The donation for Javad's bone marrow transplant underscores Al Jamia Arts and Science College's commitment to making a meaningful impact on society beyond academic pursuits. It exemplifies the institution's ethos of compassion and solidarity, reinforcing its role as a pillar of support within the community.

As the college continues to uphold its values of empathy and social responsibility, initiatives like these serve as powerful reminders of the transformative impact of collective goodwill. Through their generosity and compassion, Al Jamia Arts and Science College sets an inspiring example for others, demonstrating how collective efforts can bring about positive change and foster hope in the face of adversity.

In essence, the donation for Javad's bone marrow transplant epitomizes the spirit of humanity and solidarity that defines Al Jamia Arts and Science College, reaffirming its commitment to serving as a beacon of compassion and support in times of need.
