CIRCULAR

Dear Students and Staff,

We are pleased to announce that Al Jamia Arts and Science College will conduct a motivation class at GLP School, Pattikkad on February 7, 2022. First-year student Muhsin, along with four peers, will lead this inspiring session. We encourage you to support this initiative and participate if possible. Your involvement will contribute to fostering a positive impact on the local community.

REPORT

MOTIVATION CLASS AT GLP SCHOOL PATTIKKAD

On February 7, 2022, Al Jamia Arts and Science College, Perinthalmanna, organized an inspiring motivation class for the students of GLP School, Pattikkad. The event, held at the school premises, aimed to uplift and encourage students as they navigate their academic and personal journeys.

The session was led by Muhsin, a dedicated first-year student from Al Jamia Arts and Science College, along with four of his peers. Their initiative reflected a strong commitment to fostering a positive learning environment and supporting the broader community. The team from Al Jamia engaged the students through interactive discussions, motivational talks, and practical advice on overcoming challenges.

Muhsin and his team emphasized the importance of setting goals, maintaining a positive attitude, and the power of perseverance. They shared personal experiences and strategies that have helped them in their own academic and personal pursuits. The interactive nature of the session allowed students to ask questions and seek advice, making the experience both educational and inspiring.

The feedback from GLP School students was overwhelmingly positive. Many expressed that the session had provided them with valuable insights and renewed enthusiasm for their studies. The event also fostered a sense of camaraderie and mutual support among the students, reinforcing the importance of community and peer encouragement.

This motivational initiative is part of Al Jamia Arts and Science College's broader effort to give back to the community and contribute to the development of young minds. The college plans to continue similar outreach programs in the future, aiming to inspire and support students across the region.
