CIRCULAR

Dear Volunteers,

In light of the current global situation, the NSS unit of Al Jamia Arts and Science College has made the decision to transform our upcoming seven-day residential camp into a virtual experience. This virtual camp will take place from December 21st to 27th, 2020. Despite the shift in format, we are committed to delivering an engaging and impactful program.

The virtual camp will feature a diverse array of activities aimed at enriching your knowledge and fostering a sense of community responsibility. Highlights include expert talks, projects, awareness programs, and cultural activities. Key activities include:

- **Environmental Cleanup: December 22nd, 2020**
- Cultivating Kitchen Gardens: December 23rd, 2020
- Rainwater Harvesting: December 24th, 2020
- Survey on Community Diseases: December 25th, 2020
- COVID Awareness Programme: December 26th, 2020

Your active participation and commitment to these activities will contribute significantly to our collective mission of social responsibility and community engagement.

NSS Programme officer

REPORT

COMMUNITY RENEWAL WITH ENVIRONMENTAL CLEANUP

In a testament to community spirit and environmental stewardship, students from Poopalambur Al Jamia Arts and Science College took part in a week-long NSS virtual camp named "OJASS," during which they spearheaded a comprehensive clean-up initiative across their villages on 22/12/2020. Under the guidance of college authorities and NSS program officer Mr Abdul Musabir, the students actively participated in restoring cleanliness to their surroundings.

The initiative, which spanned seven days, saw enthusiastic participation from students who dedicated themselves to improving the local environment. Armed with cleaning equipment and a determination to make a difference, they embarked on cleaning activities in areas adjacent to their residences as well as in public spaces, including nearby roads and communal areas frequented by residents.

The impact of their efforts was immediately visible as they transformed litter-strewn areas into clean, inviting spaces. By addressing cleanliness issues in their immediate surroundings, the students not only improved the visual appeal of the locality but also contributed to fostering a healthier environment for residents.

Throughout the initiative, students demonstrated a deep sense of environmental responsibility and civic duty. Their proactive approach and dedication underscored the importance of community engagement and collective action in maintaining clean and sustainable living spaces.

The clean-up drive also served as a valuable educational experience for the students, imparting practical knowledge about waste management and environmental conservation. It instilled in them a sense of pride in actively contributing to the betterment of their community, setting a positive example for their peers and future generations.

The success of the clean-up initiative during the NSS virtual camp "OJASS" reflects the commitment of the NSS unit of Poopalambur Al Jamia Arts and Science College towards community service and environmental stewardship. Their collective efforts not only revitalized the local landscape but also inspired a renewed sense of community pride and responsibility.
