REPORT

House Painting for poor family

In a heartwarming display of community service, the NSS unit of Al Jamia Arts and Science College undertook a noble initiative to paint the house of a deserving family in Poopalam on 26th December 2018. This altruistic endeavor was part of their ongoing Abhayam project and a highlight of the NSS special camp 2018.

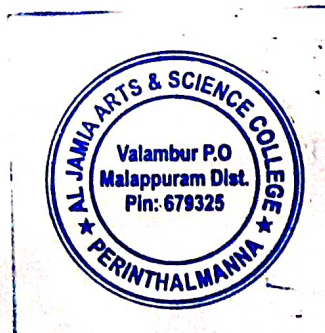

Led by Mr. Salih, the dedicated NSS Programme Officer, the initiative aimed to uplift the living conditions of a marginalized family by giving their home a fresh coat of paint. The team from Al Jamia Arts and Science College worked tirelessly, dedicating their time and effort to bring a smile to the faces of the Poopalam family.

The project not only aimed at beautifying the home but also at fostering a sense of community and solidarity among the residents of Perinthalmanna. It underscored the NSS unit's commitment to social responsibility and its role in contributing positively to the welfare of the society.

Speaking about the initiative, Mr. Salih expressed his satisfaction with the outcome and emphasized the importance of such community-driven projects in instilling values of compassion and empathy among the youth. He thanked all the volunteers who participated enthusiastically in making the project a success.

The NSS unit of Al Jamia Arts and Science College continues to be a beacon of hope and support for the underprivileged, setting an inspiring example for others to follow in the pursuit of social justice and inclusive development.
