CIRCULAR

Dear NSS Volunteers,

We are pleased to announce an upcoming community service project organized by the NSS unit of Al Jamia Arts and Science College on 06/01/2019. In adherence to our commitment to social responsibility and community development, we will be participating in the construction of two houses at Vengur.

REPORT

PARTICIPATION IN THE CONSTRUCTION OF TWO HOUSES AT VENGUR

In a remarkable display of social commitment and teamwork, the NSS Unit of Al Jamia Arts and Science College actively participated in the construction of two houses in Vengoor. Fifty enthusiastic students dedicated themselves to this community service project, making a tangible impact on the local community over a span of five days.

Under the guidance of NSS Programme Officer Mr. Salih, the students undertook various construction activities, including carrying stones, cement, and other materials essential for building the houses. Their efforts were not only aimed at completing the physical construction but also embodied a spirit of cooperation and dedication.

Principal Mr. Riyas A.P. commended the students for their exemplary work ethic and performance. He emphasized the importance of such initiatives in fostering a sense of social responsibility among the youth. The students' cooperative attitude and their willingness to contribute to the community were highlighted as commendable traits by both the principal and other faculty members.

The impact of the students' efforts was palpable beyond the construction site. The house owners expressed their heartfelt gratitude to the NSS Unit, acknowledging the students' hard work and dedication. The sense of fulfillment among the students was evident as they received direct appreciation from the beneficiaries of their labor.

Reflecting on the project, Mr. Salih expressed pride in the students' achievements and underscored the educational value of such hands-on experiences. He emphasized that initiatives like these not only contribute to societal welfare but also nurture leadership qualities and teamwork among the students.

The initiative not only served the immediate housing needs of the community but also left a lasting impression on everyone involved. It reinforced the college's commitment to holistic education that extends beyond academic excellence to encompass social responsibility and community engagement.

Moving forward, the NSS Unit plans to continue its efforts in various community service projects, further strengthening its bond with the local community and instilling values of empathy and service among its students.
