REPORT STORY SEEDS-BOOK DISTRIBUTION PROGRAM AT ALP SCHOOL VALAMBUR.

On 4th August, 2022, the Library Council of our college organized a book distribution program at ALP School Valambur, continuing its commitment to promoting literacy and fostering a love for reading among underprivileged students.

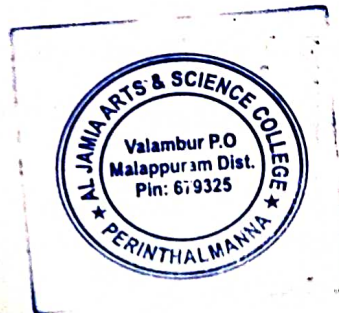

This year, the Library Council collected an impressive 65 books from 1st-year students, which were distributed among all 4th standard students of Alp School Valambur. The program was inaugurated by Ward Member Mr. Shihabudheen, who graced the occasion with his presence.

The students of ALP School Valambur were thrilled to receive the books, their faces lighting up with excitement and curiosity. The program aimed to create a positive impact on their lives, providing access to quality reading material that would otherwise be out of reach.

This program not only promotes literacy but also helps to bridge the gap between privileged and underprivileged students. By providing access to quality reading material, we can empower students to become informed, engaged, and enlightened citizens.

The book distribution program is a testament to the power of collective effort and community service. We hope to continue this initiative and spread the love of reading to more students in need.
