REPORT

STORY SEEDS-BOOK DISTRIBUTION PROGRAM AT ORPHANAGE AUP SCHOOL, POOPALAM

On November 8, 2021, the Library Council of Al Jamia College organized a book distribution program, "Story Seeds," at Orphanage AUP School, Poopalam, an orphanage that provides education to underprivileged students. The program aimed to collect and distribute English storybooks to students in need, fostering a love for literature and learning. The journey began with a book collection drive among the 1st-year students of Al Jamia College, resulting in a remarkable collection of 57 English storybooks. These books were carefully selected to cater to various age groups and reading levels, ensuring that every student would find something that sparked their interest.

The program was inaugurated by Ward Member Ms. July Pauly, who graced the occasion with her presence. In her inaugural address, Ms. July Pauly emphasized the importance of reading in shaping young minds and praised the initiative taken by Al Jamia College's Library Council. The students of Orphanage AUP School, Poopalam, were overjoyed as they received the books, their faces lighting up with excitement and curiosity. The program aimed to create a positive impact on their lives, providing access to quality reading material that would otherwise be out of reach. This initiative not only promotes literacy but also helps to bridge the gap between privileged and underprivileged students. By providing access to quality reading material, we can empower students to become informed, engaged, and enlightened citizens.
