NSS Unit of Aljamia Arts and Science College Donates ₹1 Lakh to People Foundation

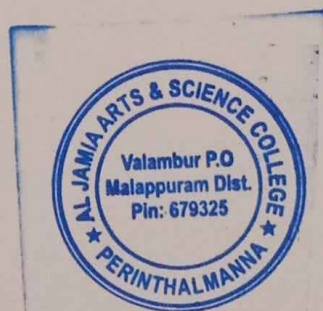

In a heartwarming act of generosity, the National Service Scheme (NSS) unit of Aljamia Arts and Science College, Perinthalmanna, has donated one lakh rupees to the People Foundation. The contribution is intended to support the Foundation's "Peoples Home" project, which aims to provide shelter and essential services to the underprivileged.

The NSS unit, known for its commitment to social service and community development, made this substantial donation to help enhance the living conditions and facilities of the "Peoples Home." This project focuses on offering safe housing, healthcare, nutrition, and vocational training to homeless and vulnerable individuals, empowering them to lead dignified lives.

The donation from the NSS unit will be instrumental in improving the quality of services provided by the "Peoples Home" and expanding its capacity to accommodate more individuals in need. The People Foundation expressed its sincere gratitude to the NSS unit for their generous support, highlighting the importance of such collaborations in driving positive social change.

This initiative by the NSS unit of Aljamia Arts and Science College sets a commendable example of social responsibility and community involvement, demonstrating the significant impact that educational institutions can have on society through collective efforts and philanthropy.
