CIRCULAR

Dear Volunteers,

We are delighted to inform you that the NSS unit of Al Jamia Arts and Science College will be organizing a seven-day residential camp at GMLP School Nenmini from 26th December 2022 to 1st January 2023. The main projects of the camp include the construction of a road for Nenmini Anganwadi, cleaning of a pavement at Nenmini, and a cleanliness drive in GMLP School Nenmini.

The camp will also feature sessions by experts and resource persons on various topics relevant to community service and development. Your participation in this camp is crucial as it reflects our commitment to social responsibility and community engagement.

We look forward to your active involvement and contribution to making this camp a success.

NSS Programme officer

REPORT

CONSTRUCTION OF THE ROAD FOR NENMINI ANGANWADI

In a remarkable display of community spirit and dedication to social welfare, the NSS unit of Al Jamia Arts and Science College in Perinthalmanna has successfully completed the construction of a crucial road leading to Nenmini Anganwadi in Keezhatoor Panchayath on 27th December 2022. This initiative, aimed at enhancing accessibility and infrastructure for the Anganwadi, was inaugurated today by Mr. Shihab V, the esteemed Ward Member, who commended the efforts of the volunteers and faculty involved.

The project, which began with the goal of improving connectivity to the Anganwadi, was executed within a tight timeframe by NSS volunteers and college faculty members working tirelessly in collaboration with local authorities. The newly constructed road not only facilitates safer and more convenient transportation for the children and staff of Nenmini Anganwadi but also contributes significantly to the overall development of the surrounding area.

Mr. Shihab V expressed his appreciation for the initiative, emphasizing its positive impact on the local community. He highlighted the road's role in fostering economic growth and social cohesion by connecting previously isolated areas. The project underscores the NSS unit's commitment to promoting social welfare through proactive community engagement and collective action.

The construction of this road marks a significant milestone in the ongoing efforts to uplift marginalized communities and improve their quality of life. It serves as a shining example of how collaborative efforts can bring about meaningful change in society. Moving forward, stakeholders hope that initiatives like these will continue to inspire and empower others to participate actively in initiatives that benefit the broader community.
