- Feedback: 38% rated the curriculum as "Excellent," 33% as "Very Good," 18% as "Good," 7% as "Average," and 4% as "Below Average."

Areas for Improvement

- Enhancing classroom infrastructure.
- Expanding access to and variety of learning resources.
- Improving classroom communication.
- Increasing opportunities for academic-related activities.
- Strengthening the curriculum's focus on values and ethics.
- Improving the process for additional skill acquisition.

Action Taken

1. **Classroom Infrastructure:**
 - Upgraded classroom facilities, including seating, lighting, and technology.
 - Implemented more interactive learning aids.
2. **Learning Resources:**
 - Expanded the library's digital and physical collections.
 - Conducted workshops on effective use of resources.
3. **Classroom Communication:**
 - Trained faculty in advanced communication techniques.
 - Adopted more interactive teaching methods.
4. **Academic Activities:**
 - Increased the number and variety of seminars, workshops, and industrial visits.
 - Partnered with industry professionals for practical insights.
5. **Values and Ethics Integration:**
 - Incorporated modules on human values, sustainability, and ethics.
 - Organized guest lectures and discussion panels.
6. **Additional Skill Acquisition:**
 - Introduced new skill development programs.
 - Enhanced existing programs to better meet student needs.

Conclusion

The actions taken aim to improve the educational experience and address student concerns. Continuous monitoring and feedback will ensure the effectiveness of these measures and identify further areas for improvement.
