

ACTION TAKEN REPORT ON ALUMNI FEEDBACK ANALYSIS 2019-2020

Introduction

This report summarizes the feedback from the alumni survey for the academic year 2019-2020 and outlines the actions taken to address the areas for improvement. The survey focused on various aspects of the curriculum, including content, relevance, and applicability.

Summary of Survey Results

1. Curriculum Content (Q1)

- Feedback: 95% of alumni rated the curriculum content as excellent, very good, or good.

2. Syllabus Updated as per the Current Scenario (Q2)

- Feedback: 95% of alumni felt the syllabus was updated according to the current scenario.

3. Curriculum Relevance and Employability (Q3)

- Feedback: 97% of alumni found the curriculum relevant and beneficial for employability.

4. Curriculum has Global Standard (Q4)

- Feedback: 96% of alumni agreed that the curriculum meets global standards.

5. Flexible and Understandable to Everyone (Q5)

- Feedback: 97% of alumni found the curriculum flexible and understandable.

6. Applicable to Practical Life (Q6)

- Feedback: 97% of alumni felt the curriculum was applicable to practical life.

7. Curriculum Meets the Demands of Society (Q7)

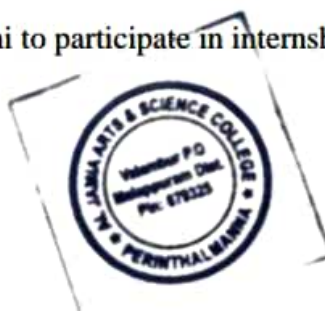

- Feedback: 97% of alumni agreed that the curriculum meets societal demands.

8. Helps to Fulfill or Finish the Academic Knowledge (Q8)

- Feedback: 96% of alumni felt that the curriculum helps in fulfilling or finishing academic knowledge.

Areas for Improvement

- Enhance the integration of practical skills and real-world applications into the curriculum.
- Update the syllabus more frequently to reflect rapid changes in industry trends and technologies.
- Increase the opportunities for alumni to participate in internships and hands-on projects.

4. Improve the flexibility of course structures to cater to diverse learning preferences.
5. Strengthen the focus on global standards and societal needs in the curriculum design.

Action Taken

1. **Integration of Practical Skills:** Incorporated more practical exercises, projects, and case studies into the curriculum to ensure theoretical knowledge is applied effectively.
2. **Frequent Syllabus Updates:** Established a regular review process for the syllabus to incorporate the latest industry trends, technological advancements, and skill requirements.
3. **Enhanced Internship Opportunities:** Partnered with industry leaders and local businesses to offer more internships and practical project opportunities to alumni.
4. **Flexible Course Structures:** Revised course structures to provide more elective options and adaptable content, allowing alumni to personalize their learning experiences.
5. **Focus on Global Standards:** Engaged with international educational institutions and industry experts to continuously update the curriculum, ensuring it meets global standards and societal needs.

Conclusion

The feedback received from the alumni has been instrumental in identifying areas for improvement and implementing effective actions. Continuous efforts will be made to monitor the outcomes of these actions and make further enhancements to the curriculum.
