Subject: Request for Actions Based on Alumni Feedback Analysis (2019-2020)

Respected Sir,

I am writing to you on behalf of Al Jamia Arts and Science College. Recently, we conducted a comprehensive Alumni Feedback Analysis for the academic year 2019-20, which highlighted both strengths and areas for improvement in our curriculum.

Based on the feedback received, we have developed an action plan to enhance our educational offerings, which includes the following key actions:

1. Integration of practical skills and real-world applications.
2. More frequent syllabus updates to keep pace with industry changes.
3. Increased internship and hands-on project opportunities.
4. Greater flexibility in course structures to accommodate diverse learning preferences.
5. A stronger focus on global standards and societal needs in curriculum design.

Thank you for your continued support and collaboration. I look forward to your positive response.

Warm regards,
