Subject: Request for Collaborative Improvement Based on Employer Feedback

Respected Sir,

I am writing to you Inform that, we conducted a comprehensive Employer Feedback Analysis for the academic year 2018-19, which highlighted both strengths and areas for improvement in our curriculum.

Based on the feedback received, we have developed an action plan to enhance our educational offerings, which includes the following key actions:

1. Conduct a comprehensive review of the curriculum to identify gaps in personal growth aspects.
2. Implement targeted workshops and training programs focused on enhancing employability skills.
3. Introduce new support systems and resources to aid employees in managing social and personal challenges more effectively

Thank you for your continued support and collaboration. I look forward to your positive response.

Warm regards, -

Riyas A.P.
