

EMPLOYERS FEEDBACK ANALYSIS 2022-23

2022-2023(Q1)

Employees ability to contribute to the goal of the organization.

Excellent	Good	Fair	Poor
62%	28%	7%	3%

■ Excellent ■ Good ■ Fair ■ Poor

The feedback from employers indicates that employees demonstrate a strong ability to contribute to the goals of the organization, with an impressive 62% of employees rated as "Excellent" in this area. Additionally, 28% of employees received a "Good" rating, highlighting a solid majority of the workforce performing at a high level. Only a small percentage of employees, 7%, were rated as "Fair," and an even smaller 3% received a "Poor" rating, suggesting that while there is room for improvement, the overall contribution to organizational goals is commendable.
