CIRCULAR

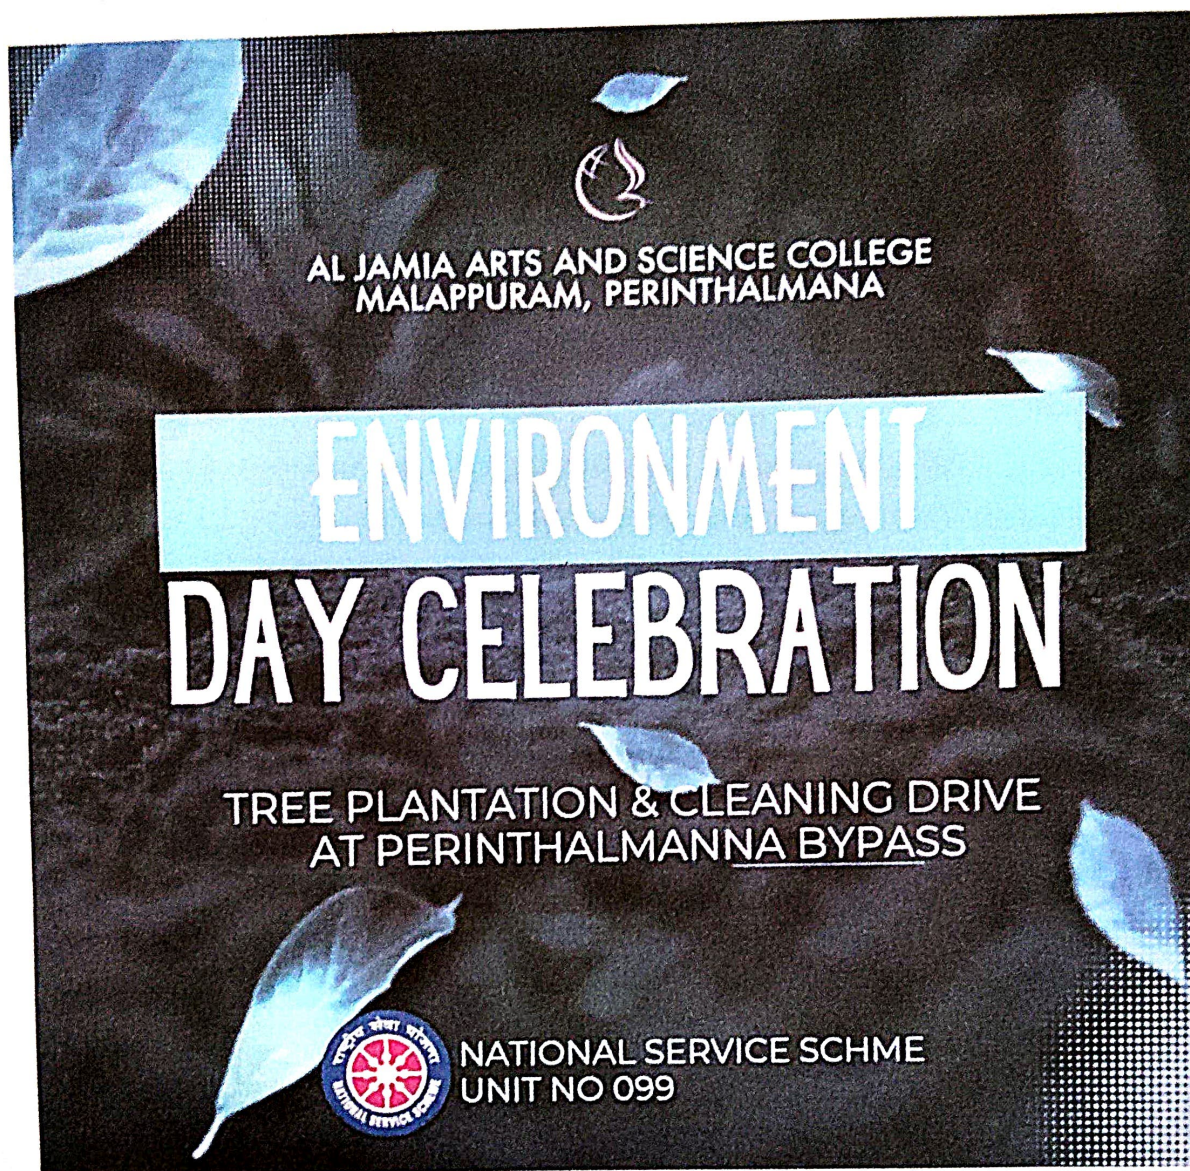

This is to inform you that Al Jamia Arts and Science College, Perinthalmanna, will be celebrating World Environment Day on June 5, 2025, with the theme "Combat against plastic waste." As part of the celebrations, the College NSS Unit will be organizing a Sapling Plantation Drive, where we will be planting 25 saplings in the college neighborhood, and a Plastic Cleaning Drive in Poopalam Anganwadi road. We invite all students, staff, and the local community to participate in these initiatives, aimed at promoting environmental awareness, reducing plastic waste, and fostering a sustainable future.

PROGRAM POSTER

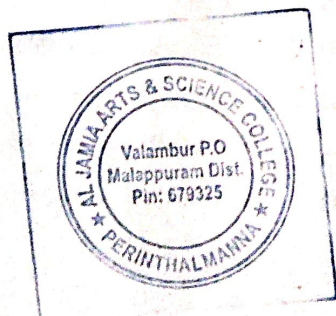

The poster features a dark background with several light blue leaves scattered across it. At the top center is a small logo of a flame or leaf. Below it, the text "AL JAMIA ARTS AND SCIENCE COLLEGE MALAPPURAM, PERINTHALMANA" is written in white. A large, light blue rectangular box contains the word "ENVIRONMENT" in white, bold, sans-serif capital letters. Below this box, the words "DAY CELEBRATION" are written in large, white, bold, sans-serif capital letters. Underneath, the text "TREE PLANTATION & CLEANING DRIVE AT PERINTHALMANNA BYPASS" is written in white, sans-serif capital letters. At the bottom left is a circular logo for the National Service Scheme (NSS) with a red and white wheel design. To its right, the text "NATIONAL SERVICE SCHME UNIT NO 099" is written in white, sans-serif capital letters.

PROGRAM REPORT

World Environment Day Celebration

The College NSS Unit of Al Jamia Arts and Science College, Perinthalmanna, in association IQAC, organized a World Environment Day celebration on June 5th, 2025, with the theme "Combat against plastic waste." The program aimed to raise awareness about the importance of environmental conservation and promote sustainable practices among the students and the local community. The event consisted of two major initiatives: a sapling plantation drive and a plastic cleaning drive. The program was inaugurated by college principal DR. (Lt.Cdr.) C.K. ABDUL RABBI NISTAR by planting a sapling.

The primary objective of the World Environment Day celebration was to sensitize students and the local community about the harmful effects of plastic waste and the importance of maintaining a clean and green environment. The NSS Unit aimed to promote environmental conservation and encourage sustainable practices among the participants. The sapling plantation drive was designed to enhance the green cover in the college neighborhood, while the plastic cleaning drive aimed to collect and dispose of plastic waste in a responsible manner.

The sapling plantation drive was conducted in the college neighborhood, where 25 saplings were planted by the NSS volunteers and students. The saplings were carefully selected and planted in designated areas, ensuring their growth and survival. The plantation drive not only enhanced the aesthetic appeal of the neighborhood but also contributed to a healthier environment. The participants were educated about the importance of tree conservation and the role of greenery in maintaining ecological balance. The plastic cleaning drive was organized in Poopalam Anganwadi road, where a significant amount of plastic waste was collected and disposed of responsibly. The NSS volunteers and students worked together to clean the area, raising awareness about the

harmful effects of plastic waste on the environment. The cleaning drive highlighted the need for sustainable waste management practices and encouraged the participants to adopt eco-friendly habits.

The World Environment Day celebration was a huge success, with active participation from the students and the local community. The program achieved its objectives, raising awareness about the importance of environmental conservation and promoting sustainable practices among the participants. The sapling plantation drive enhanced the green cover in the college neighborhood, while the plastic cleaning drive collected a significant amount of plastic waste, contributing to a cleaner environment. The event also fostered a sense of community and social responsibility among the participants.

The feedback from the participants was overwhelmingly positive, with many expressing their appreciation for the initiative. The students and NSS volunteers praised the organizers for their efforts in promoting environmental conservation and encouraging sustainable practices. Some participants suggested that such events should be organized regularly, while others expressed their willingness to participate in future environmental initiatives. The feedback highlighted the need for continued awareness and education on environmental issues, and the NSS Unit is committed to organizing more events and activities to promote sustainability and environmental conservation.

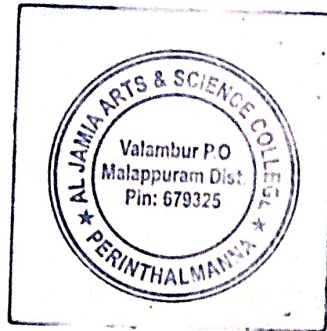

The World Environment Day celebration organized by the College NSS Unit of Al Jamia Al Islamiya, Perinthalmanna, was a resounding success. The program achieved its objectives, promoting environmental conservation and sustainable practices among the students and the local community. The event highlighted the importance of collective action in protecting the environment and encouraged the participants to adopt eco-friendly habits. The NSS Unit looks forward to organizing more events and activities to promote sustainability and environmental conservation, inspiring a sense of responsibility and community among the participants.

The success of the program can be attributed to the active participation of the students, NSS volunteers, and the local community. The event demonstrated the power of collective action in promoting environmental conservation and sustainability. As we move forward, it is essential to continue such initiatives and encourage more people to participate in environmental conservation

continue such initiatives and encourage more people to participate in environmental conservation efforts. The College NSS Unit is committed to promoting sustainability and environmental conservation, and we look forward to organizing more events and activities in the future. Overall, the World Environment Day celebration was a significant step towards promoting environmental conservation and sustainability in our community. We hope that the event will inspire more people to take action and contribute to a cleaner and greener environment. With continued efforts and collective action, we can make a significant difference and create a more sustainable future for ourselves and future generations.
